Lennar Corporation	US5260571048	USA	08-Apr-26	Annual	Yes	Disclosure of Voting Results Based on Class of Shares	For	Shareholders request Lennar disclose voting results according to the class of shares, namely differentiating between those shares carrying one voting right and those carrying multiple voting rights. Current voting results are disclosed without any distinction by share class. Given that Class B shareholders can inordinately impact voting decisions, there is potential for outcomes that diverge from the interests of the wider shareholders.
